LUND COLLECTION

LUND COLLECTION

When the teak top is placed on top of the ottoman base, you can create a coffee table.

LUND COLLECTION

The Ottoman can easily be transformed into a 1 seater simply by adding a backrest.

The armrest can be positioned at both ends of the base!

Backrest frame can be positioned all along the backside, the frontside and on both sides of the base frame!

LUND COLLECTION

The Base has a reclining back at both ends so it can easily be used on the LEFT and on the RIGHT side!

LUND COLLECTION

The teak top fits perfectly on top of the base frame. It can be positioned on the sides or even in the middle. It can also be placed on top of the small frame to form a coffee table.

LUND COLLECTION

LUND COLLECTION

SOLNA COLLECTION

SOLNA COLLECTION

The SOLNA collection consist of a series of mobile outdoor LED lamps in 3 different sizes: small table lamps, large table or floor lamps and extra large floor lamps.

The light bulbs are made of rotation moulded PE and all frames are made of powder coated aluminium. The frames are available in a series of custom made colours.

In average it takes about 3 to 4 hours to fully charge each lamp with a simple USB cable and (depending on the light intensity) each lamp has a battery life of around 8 to 10 hours.

Each lamp has two light temperature settings (candle light warm white and cool white) and two brightness settings (50% and 100%). You can also choose for the candle light flickering mode.

“Great solution for small outdoor spaces!”

Tumba is a simple yet functional concept of stackable stools and a small table. It was designed for small outdoor spaces. The stools and table can easily be stacked when not in use and occupy a minimum of space. When you need seats, simply take a stool and 4 people can sit together. Due to the simple yet striking design, the Tumba also looks great when fully stacked! The Tumba design has won 6 design awards in Los Angeles, New York, Australia, Canada and China.
